

REMARKS

Please enter the amendments to the specification and claims as mentioned above.

The priority application was filed in the United Kingdom and the US Receiving Office was the Searching Authority for the PCT filing. The claims filed in the PCT mirrored those filed in the priority application, those claims being in multiple dependency format. Applicant amended the claims to eliminate the multiple dependencies and to place the claims in better condition for allowance.

Should the Examiner have any questions regarding this amendment, he/she is invited to contact the undersigned attorney.

Respectfully Submitted,

By: Donald O. Nickey May 5, 2005
